## Innosuisse meets Research Partners 25.03.2026

University of Bern, Hochschulstrasse 4, 3012 Bern – “Kuppelraum”

---

### Directions from Bern railway station

#### How to reach the meeting room “Kuppelraum”

Leave the platform via the platform underpass, not in direction of the stores, but in direction of platform 12/13. At the end of the underpass, there are lifts that take you all the way up directly to “Grosse Schanze”.

When you step out of the lift, you will find yourself on **Grosse Schanze**, just a few steps away from the main building of the University of Bern.

Enter the main building through the main entrance, not through side entrances:

Go up the **stairs** to the **second floor**, keeping to the right.

From the second floor you can either take the **elevator** or the **stairs** to the “Kuppelraum”:

Climb the stairs to the top or take the lift to floor “K”.  
You are now in the **reception area of the dome room**. Welcome!
