CONFERENCE PROGRAM

Sunday, 27th September Ballroom Foyer & Mezzanine Foyer

11:00	REGISTRATION & WELCOME DESK Ballroom Foyer
11:30	INFORMAL LUNCH Mezzanine Foyer
13:30	UETLIBERG – ZÜRICH'S VERY OWN MOUNTAIN At 871 metres (2'858 feet) above sea level, the Uetliberg towers over Zurich's rooftops. The Uetliberg Railway takes us almost to the top, leaving only a seven-minute walk through the forest to reach the summit and the Hotel Uto Kulm. From here, you can enjoy a fascinating 360° view. The hotel's own observation tower is the best viewing point. Enjoy a light apéritif while taking in the magnificent panoramic view of the city, the lake and the Alps.
13:30	LINDT CHOCO DELUXE PRIVATE TOUR During this 90-minute guided tour, you will gain an insight into the production of cocoa and chocolate. You will learn how the Mayan 'cult' drink evolved into a European luxury and ultimately became accessible to all. In addition to the tasting stations in the exhibition and the tasting of creamy melting Lindor creations with a Maître Chocolatier, we are also offered the exclusive opportunity to taste ingredients and preliminary products of chocolate production. Finally, you can explore the world of chocolate in the 500 m² Lindt Chocolate Shop, where you will find the finest Swiss chocolate from Lindt, as well as a variety of sweet gift ideas.
