

Meenakshi Datta

Partner, Sidley Austin LLP

Healthcare, Crisis Management and Strategic Response, Privacy and Cybersecurity

Meena Datta is global co-leader of the Sidley's Healthcare practice and a member of the global Life Sciences team. She manages key strategic matters for life sciences and healthcare companies throughout the world, particularly drug pricing and market access and patient access strategy in the MFN policy landscape. She was a key lawyer on the Sidley team that defeated MFN 1 on behalf of BIO. *California Life Scis. Assn. v. CMS*, 2020 WL 7696050 (N.D. Cal. 2020). Clients value Meena for her problem-solving and creativity while giving measured guidance to appropriately manage and reduce risk.
