

Gottfried Finken

Managing Director, Global Head of Structured Finance and International Business

- Gottfried Finken has been with DZ BANK AG for 22 years and has served as the Global Head of the Structured Finance Division for the past 16 years. In this position, he is globally responsible for acquisition-, project-, trade & export finance, documentary business, asset securitisation, loan syndication and international corporate clients in a division of 388 people.
 - Previously Gottfried was Global Head of Acquisition and Leverage Finance. He successfully refocused the division, which included its strategic positioning, definition and implementation of processes.
 - Prior to joining DZ, Gottfried held a variety of senior positions at HypoVereinsbank, Dresdner Bank AG and BHF-Bank AG.
 - Gottfried holds a degree in Business Economics from Cologne University.
