

## Directions to the Event Reception

PG3 AG | Unternehmer-Park 3, CH-6340 Baar

### Buildings & Entrances on Campus

### Arrival by Car

As the campus has been recently constructed, please check the directions carefully in your navigation system and see the detailed map below. The correct navigation route will take you via Nordstrasse to the roundabout with the Swiss wrestler statue.

1. Coming from the highway exit (Baar-Zug Zentrum), drive along Nordstrasse towards Zug.
2. Enter the Partners Group campus at the second roundabout and take the third exit.
3. Turn left immediately after the first white building (The Greenery).
4. Follow the road which veers right then left (red route in picture above). On your right, you will see the underground visitor parking entrance (between The Foundry and The Factory buildings).
5. At the garage gate, please ring the visitor bell and announce yourself as guest for the PG3 Event.

### Visitor Parking

You will be guided to the visitor parking spaces dedicated for the event.

At the visitor entrance (red area), please ring the bell for access. Take the elevator to Partners Group Reception.

From there you will be guided to the event reception.

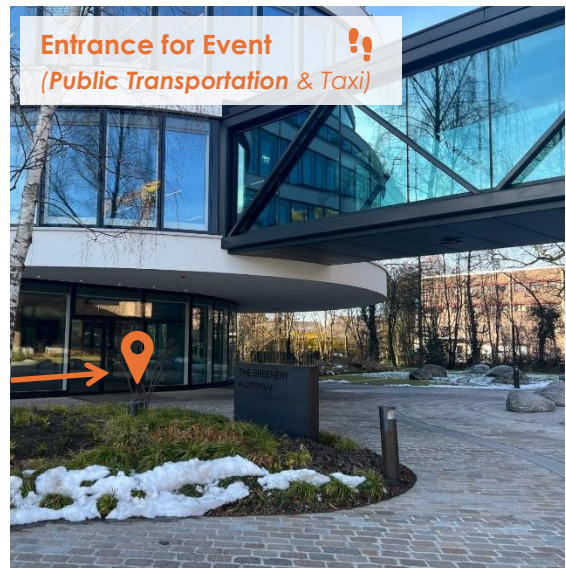

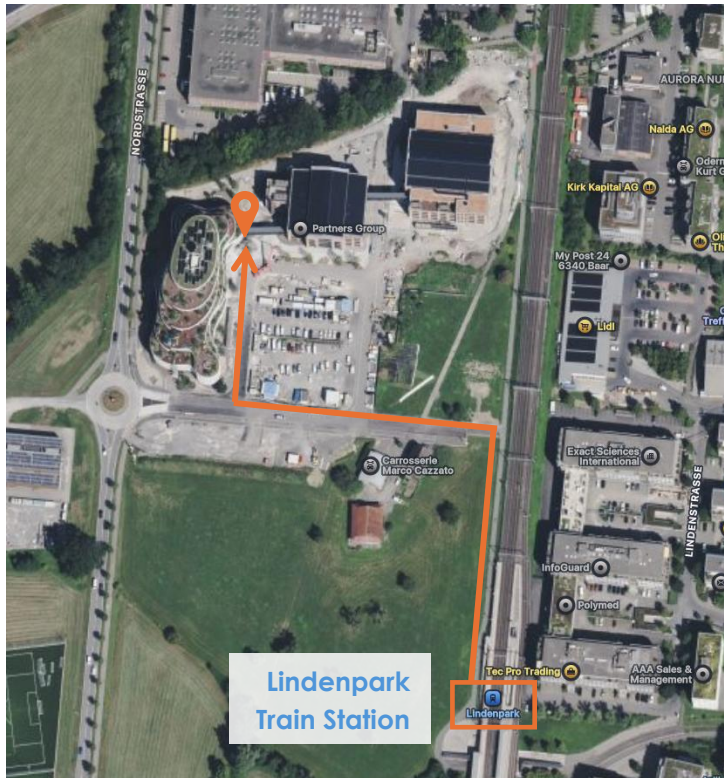

**Visitor Entrance & Bell**  
(via Partners Group Reception)

## Arrival by Public Transportation

The closest train station to our office is "Baar Lindenpark" (which is a 5-minute walk away). The local trains S1 and S2 connect "Baar Lindenpark" and Zug main station. Please check [www.sbb.ch](http://www.sbb.ch) for a detailed schedule.

If you arrive at Baar Lindenpark train station, follow the orange route until you arrive at the entrance for the event located below the bridge right next to the fountain. At the entrance you will find the event reception.

## Arrival by Taxi

Please ask the taxi driver to stop at the entrance for the event located at the Greenery building (orange).

The entrance is situated below the bridge right next to the fountain and is easily accessible for drop-off.

At the entrance you will find the event reception.
