

Frank Carr-Allinson

Managing Director, Global Head of Financial Institutions Emerging Markets

- Frank heads the Emerging Markets Financial Institutions coverage team at DZ BANK AG with Relationship Managers based in Frankfurt, Hong Kong and Singapore.
 - Frank introduced a sales-oriented, tiered client coverage, and a Trade Risk Distribution capability which has significantly expanded the bank's ability to grow its Trade Finance book. Relationships in a growing selection of new markets have been established to further broaden the scope of activities across Transaction Banking, Capital Markets and Trade Finance products.
 - Before joining DZ BANK AG in June 2018, Frank served in several managerial roles in the Financial Institutions coverage and product sales (Trade Finance) division at Commerzbank AG for over twenty years.
 - Frank has a degree in Modern History, Economic History and Politics from the University of London and completed the Interalpha EMBA course at INSEAD. He grew up in the Netherlands and France.
